

LabelLock

70801H

Alphabond's new tax stamp grade, **LabelLock® 70801H** is a real game changer.

It marries **smooth running operation** with **tenacious grabbing power** on every tax stamp, every time.

Let's work together to optimise your **Triple-P** (**Productivity, Presentation, Profitability**) and prove these benefits:

- ✓ No more customer complaints – 100% adhesion to the most difficult coatings giving “tamper evidence”
- ✓ Easy to wash-off from your machine – reduced stops to clean, improving your line efficiency
- ✓ Consistent high quality
- ✓ No more ‘winging’ label worries – very high tack
- ✓ Full fibre tear on PP, HDPE, coated glass, coated caps

The ‘fix and forget’ LabelLock® 70801H gives full adhesion on tax caps and full fibre tearing bonds on a huge variety of bottles – so whether it is whisky or detergents that you bottle, this product will give massive improvements in labelling quality and performance.
